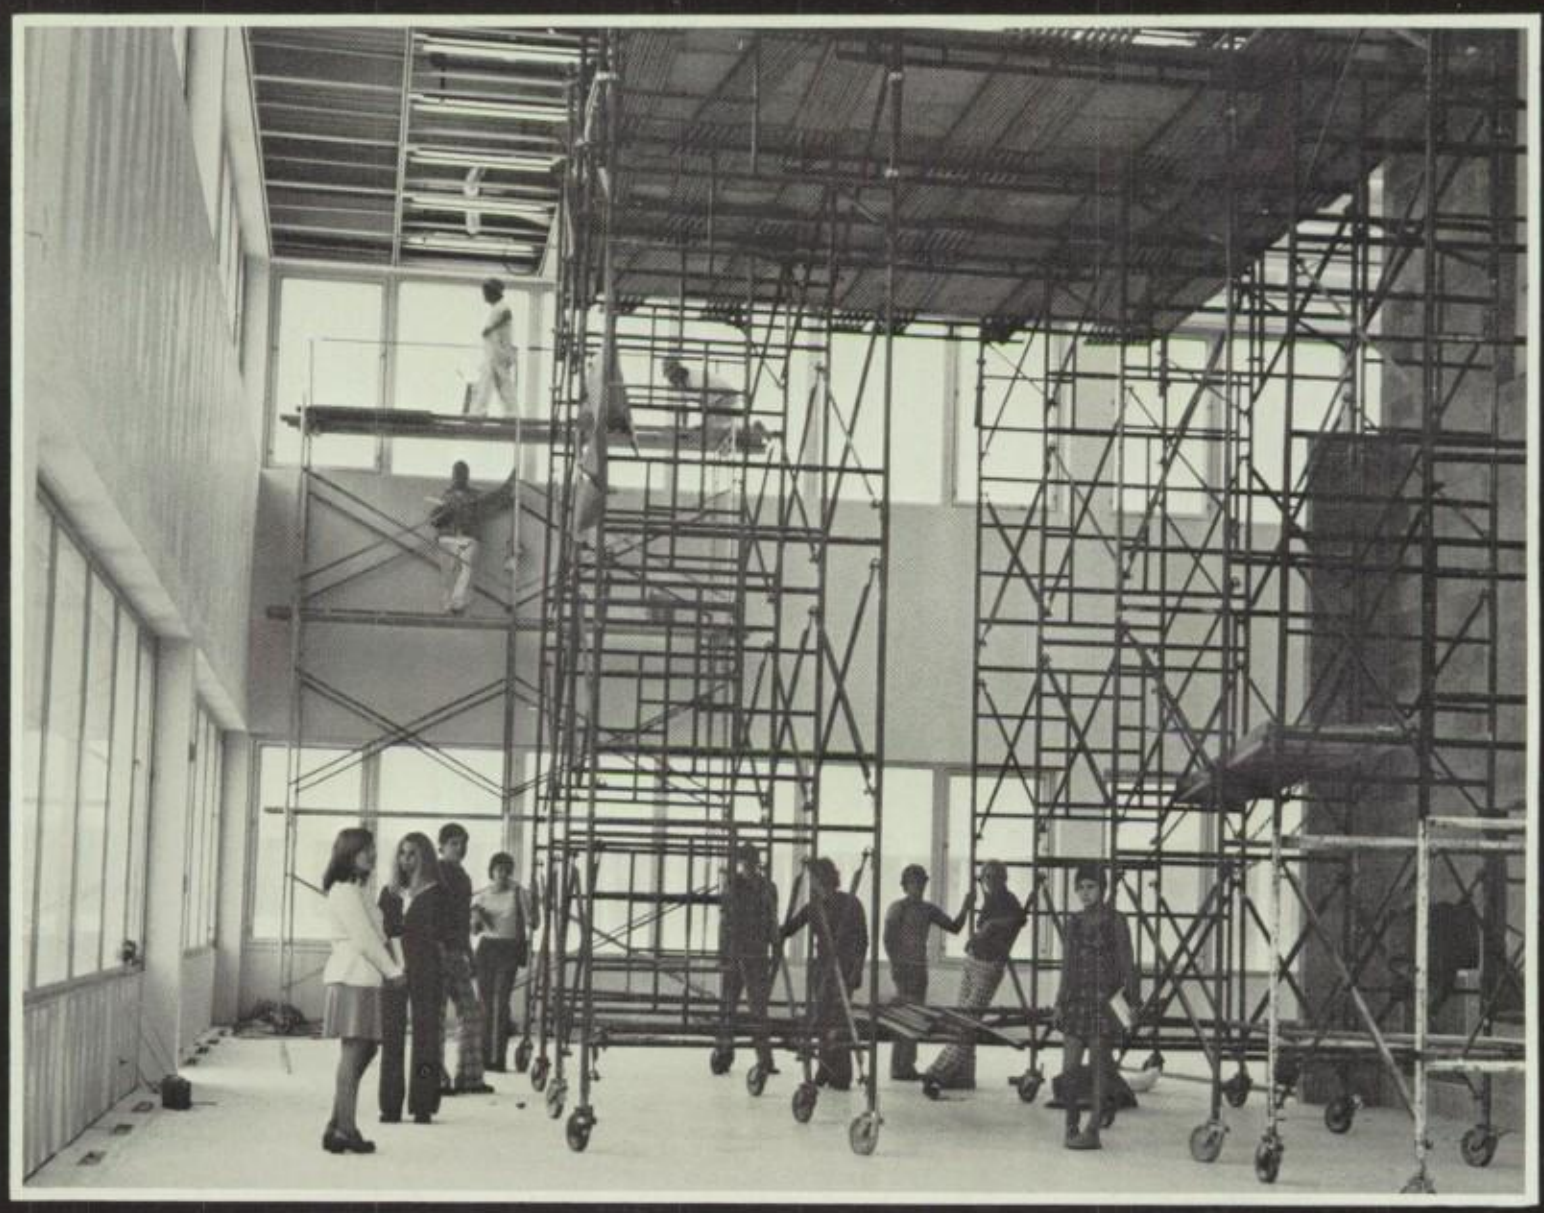
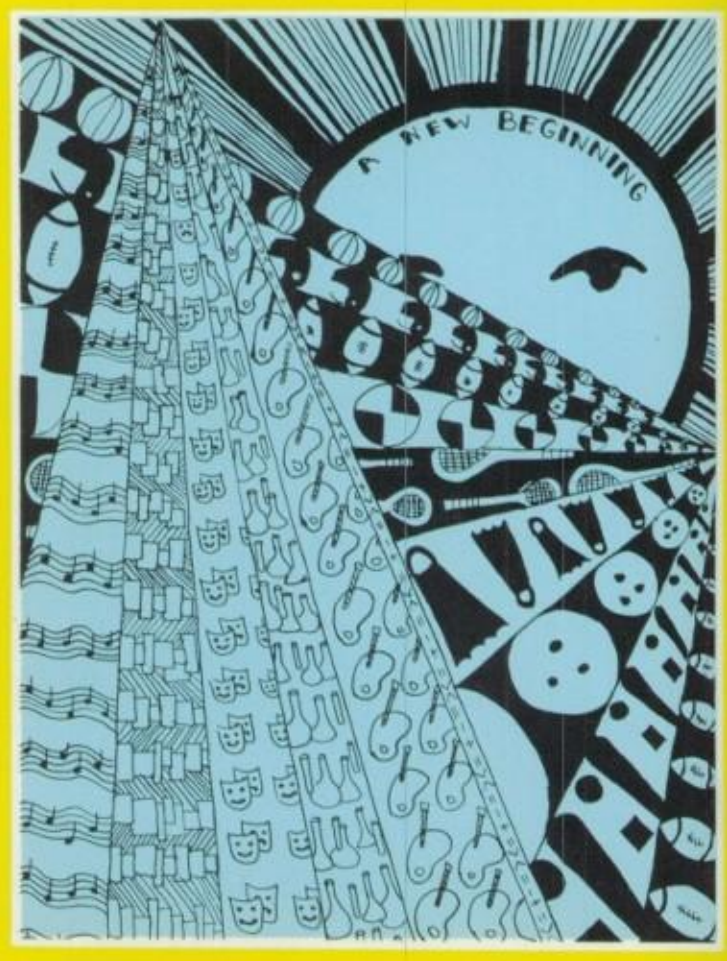
FINISHING TOUCHES ...



THE IMPOSSIBLE DREAM COMES TRUE



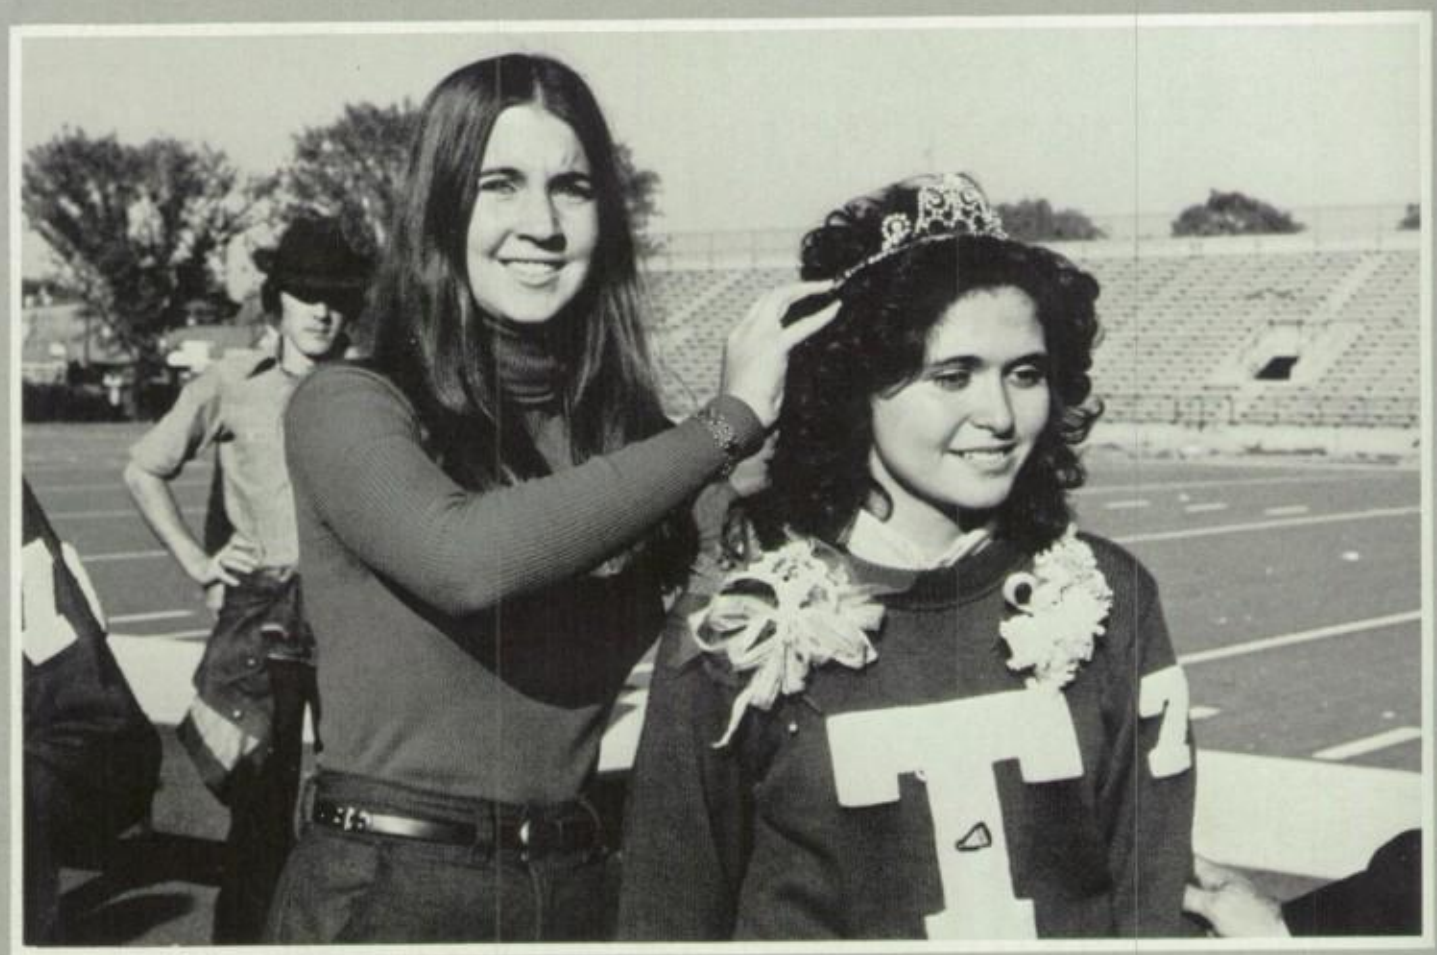
A NEW BEGINNING

Once again all Taft students are together for the first time since February, 1962, when Taft's Norwood Park Branch first opened to freshmen. Our magnificent new addition has thus enabled Taft High to experience new hopes, new challenges, new life — a new beginning.

On November 15, 1968, a feasibility study of a new addition was initiated by Dr. Shirley Stack, Superintendent of District One. Progress began with the massive efforts of Mr. John Graven, Taft's newly assigned principal, the P.T.A., faculty and community. Then after 240 meetings and four years of preparation, ground breaking ceremonies took place on October 10, 1972, at ten o'clock in the morning.

Since that day all eyes have been focused on the continuous progress which the building has made. Excitement reached its ultimate during this 1974-75 academic year when Taft's new addition at last opened.

HOMECOMING HIGHLIGHTS



Lynn Bethke, last year's Queen, crowns Bessie Kouchoukos, 1974 Homecoming Game Queen.

HOMEMAKING . . . AN IMPORTANT PART OF THE CURRICULUM

Proper home management helps to enrich our lives immeasurably. The art of cooking and the art of making clothes are two elements that have been at the very core of successful American home life for many, many years. Taft High is fortunate to have classes in the homemaking arts available to its students. Moreover, due to the inflationary pressures of our times, these various classes take on an even greater significance. Being able to make our own clothes, cook our own food, and manage our own homes can save us a great deal of money.

Without the help of Taft's Main Office Aides, Counselor Aides, Learning Resource Center Aides, and Program Office Aides our school could not operate effectively. The number of duties to perform and the number of errands to be run is staggering.

This year the new Graven Learning Resource Center has opened. It will be the very educational heart of Taft High. The Center includes an audio-visual department, headed by Miss Bianchi. We wish the Resource Center and the Resource Center Aides much success.

ART SERVICE

Having settled down in their new, impressive two-story art studio, Mr. Wenet and his Art Service members are again ready to go to work. Their most important job is to beautify our school. Many of the brilliant bulletin board displays throughout the building are the work of this artistic group of students. Whenever Taft needs a design for a concert or play program, Art Service is called upon for help. Here we see them at work.

DRIVER EDUCATION

Preparing teen-agers to learn how to drive correctly and safely is the job of the driver education program here at Taft High. By giving the student classroom as well as actual driving experience, the program enables the new driver to prepare for taking the state drivers license examination. Naturally "Rules of the Road" is taught carefully and in great depth.

Again this year the Girls' Athletic Association was a booming success. This organization, under the guiding hand of Mrs. Betty Betz, is open to every girl in the school. The volleyball and basketball tournaments proved to be the most popular, but softball, badminton, the Free Throw Contest, and the Swim Meet also had a good number of participants. An annual banquet climaxed the whole year. At this dinner all the girls who have earned awards received them.

STUDENT COUNCIL

Taft's Student Council, the "Umbrella Organization," gives the students a chance to be heard. The council meets in the forum every Thursday during long division. The meetings are directed by its officers who are elected by the student body. The council tries to instill into the student body the idea of self-government.

Upcoming events, special projects, and certain jobs expected of the students are discussed at the meetings. Some of the projects include: the Homecoming Game Activities, the Alumni Homecoming Dance, and the Stewart School Christmas Project. Some new activities this year include the Sweetheart Valentine Day Dance, the Mardi Gras, and the Time Capsule Burial Ceremony and Dance.

Our Eagles had another exciting and dynamic season this year. Through many hours of practice and drilling, they finished number one in their division for the first time in 12 years. The season was highlighted by a win against Lane and the thrill of playing at Soldier Field. Having a potent offense and a powerful defense. Taft trudged through an undefeated regular season and into the playoffs. What further enhanced the season was Taft's 42-0 overwhelming victory over Foreman, and the fact that no serious injuries were sustained. The one disappointing moment of the year was Taft's heartbreaking loss to C.V.S. in the city semi-finals. Even so, Taft was ranked 50th in the state, a new record for us.

This year Taft's Varsity Basketball Team was headed by Mr. Frank Hood, our new coach. The team put in many hours of hard practice and hard play which paid off very well. Our team came in second place in its division; however, we lost the playoff game against Sullivan. The most exciting victory of the season was that against Lake Park. We won by one point as Neal Schuessler tipped the ball through the basket as the final buzzer sounded. The team is to be commended for their fine play, both on and off the court. To our senior members—James "J.J." Joyce, Paul McVicker, Andrew Paulson, Jack Pociask, Neal Schuessler, and Michael Silverstein — we give our best wishes for the future.

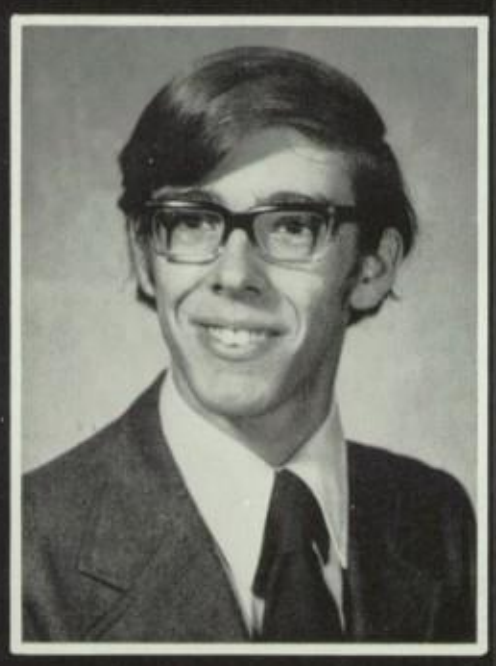
IN MEMORIAM



DAVID BRUCE VANA
10-23-57 to 1-29-75

The students of Taft High School are saddened at the passing of David Vana. David was number nine scholastically among the top ten students in the senior class. Although he spent much of his time studying, he always had time for his many friends. David was a very special person, and he shall always live on in the hearts of those who were lucky enough to have known him.

Tom,
It's been fun
these past four years.
You're a great guy and
good luck in the future.
Love,
Sandy

Tom,
I really don't know
what to say. But I
know I'll be seeing
ya over the summer.
But Good Luck
and good partying.
Jeff

Dear Tom,
Have a great
summer. Party good!
I'll see
Bunker. Get stoked
in everything.
Good luck
Love,
Peggy

Tom,
Yes, beer
tell. But you
loved every minute
of it right? I don't
know what to say.
Keep in touch OK?
Love,
Nicole
